Paid £10.00

MEMB. NUMBER/S:

Updating General Data Protection Regulations (GDPR) for Tavistock Camera Club May 2018

New GDP Regulations mean that we have to ensure that we have your permission to hold your data and communicate with you as detailed below.

The information on your membership form will be used by TCC for purposes only in connection with the running of the club, which includes communicating, with you, by email.

It will never be disclosed for marketing purposes.

The data is stored in a file and on a computer and may be provided to committee members to facilitate the running of the club and provide the benefits of membership to you.

Your details can be removed from our records, within 28 days, by email request to the membership secretary.
